Have a BLAST playing soccer with friends, learning new skills, and building on last year's successful debut for Blast Soccer!

SOMN Soccer now features a 7-a-side version with the competition roster limited to 14 players and we plan to field the most competitive team possible. However, depending on the availability of additional coaches and the number of athletes registering, the Blast may send multiple teams to compete in the tournament.

All players need to have all their state Special Olympics forms current to practice and are required to provide their own shin guards and red soccer socks. Soccer cleats are recommended.

PLEASE NOTE: Shoes with metal cleats may not be used. All other equipment, including balls, will be provided.

If you are interested in volunteering to help coach, please contact Coach Erik. No prior experience needed!
